RE: CASH DEPOSIT INSTRUCTIONS FOR LIGHTWEIGHT THERMAL PAPER FROM GERMANY (A-428-840)

1. Commerce has published in the Federal Register (78 FR 23220) on 04/18/ 2013 the final results of its administrative review of a certain producer and/or exporter subject to the antidumping duty order on lightweight thermal paper from Germany for the period 11/01/2010 through 10/31/2011.

2. As a result of Commerce's review, the cash deposit rate has been revised for one company. Therefore, for shipments of lightweight thermal paper produced and/or exported by the firm listed below, entered, or withdrawn from warehouse, for consumption on or after 04/18/2013, the required cash deposit has been revised:

Papierfabrik August Koehler AG:

Case number: A-428-840-001

Cash deposit rate: 75.36%

3. If any entries of merchandise are exported by a firm other than the producer, then the following instructions apply:

A. If the exporter of the subject merchandise has its own rate, use the exporter's rate to determine the cash deposit rate.

B. If the exporter of the subject merchandise does not have its own rate but the producer has its own rate, the cash deposit rate will be the producer's rate.

C. Where neither the exporter nor the producer currently has its own rate or the producer is unknown, use the all-others rate for establishing the cash deposit rate.

4. For all producers/exporters of lightweight thermal paper from Germany without their own rate, the cash deposit rate is 6.50 percent.

5. These cash deposit requirements shall remain in effect until further notice. Do not liquidate any entries of merchandise covered by the administrative review until specific liquidation instructions are issued.

6. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by O#2:TKS)

7. There are no restrictions on the release of this information.
